

Dear Members and Guests,

Beginning September 20th until the end of the golf season, the kitchen will only be open during times of high demand and for tournaments/special events. During closures, players are invited to purchase their beverages, snacks and sandwiches from either the pro-shop or the beverage cart.

The beverage cart will be on the course Tuesday through Sunday from 10 am until closing each day. No cart on Mondays. Pro-shop is open daily.

Thank you for your understanding.

The Management Team
